Applied Climatology \* Business & Retail \* Geospatial Science & Technology \* Geog Edu  
Environmental Studies \* Medical Geography \* Natural Hazards \* Race & Ethnicity \*  
Water Resources & Environmental Policy \* Military Geography \* Census Geography

The Board of Directors of the  
***Applied Geography Conferences*** invites  
you to participate at the 2013 conference in Annapolis, Maryland.

For over three decades, the Applied Geography Conferences has provided a forum for the exchange and critique of ideas related to the application of geographic concepts, analytical techniques, data and methods. The conference brings together practitioners, academics, and other professionals who seek geographic solutions and explanations to societal problems.

Papers given are eligible to be submitted for review for inclusion in the annual conference publication ***Papers of the Applied Geography Conferences***. All papers submitted for publication go through a rigorous **double blind review process**. In addition to paper sessions, the conference also features panel discussions, exhibits, poster presentations, field trips, & special events. Selected papers will be invited to submit an expanded version to a special issue of the *International Journal of Applied Geospatial Research*.

The Westin Annapolis - \$169/night  
100 Westgate Circle, Annapolis, MD 21401 -- (410) 972-4300

## Conference Registration

Expression of intent to submit abstracts for papers or posters must be made to the Applied Geography Conference Board of Directors by **May 31, 2013**. To publish your work in the conference proceedings, please submit your manuscripts by **June 7, 2013**. Paper title, 150-word abstract, AV needs, and session titles can be submitted to:

Jay Lee, Dept of Geography, Kent State University, Kent, OH 44242-0001.  
e: jlee@kent.edu. p: (330) 672-3222.

## Student Paper/Poster Competition

The Applied Geography Conference is pleased to announce a Student Paper Competition and a Student Poster Competition. Students presentations in the form of either papers or posters emphasizing the application of empirically based research to human and environmental problem-solving will be the focus of the competition.
