The Board of Directors of the
Applied Geography Conferences invites you to
participate at the 2014 conference in **Atlanta, Georgia**.

For over three decades, the Applied Geography Conferences have provided a forum for the exchange and critique of ideas related to the application of geographic concepts, analytical techniques, data and methods. The conference brings together practitioners, academics, and other professionals who seek geographic solutions and explanations to societal problems.

Papers presented at the conference are eligible to be submitted for review for possible publication in the annual conference publication, *Papers in Applied Geography*. All papers submitted for publication go through a rigorous **double blind review process**. In addition to paper sessions, the conference also features panel discussions, exhibits, poster presentations, field trips, & special events. Selected papers will be invited to submit an expanded version to a special issue of the *International Journal of Applied Geospatial Research* and a special issue of *Applied Geography*.

The Hilton Atlanta - \$139/night
